

A close-up photograph of frosted pine branches, likely from a Christmas tree, with snow or frost coating the needles and cones. The background is a soft, out-of-focus white with bokeh light effects.

## MERRY CHRISTMAS & HAPPY NEW YEAR

We know you have a choice for your roofing work and sincerely thank you for the trust you have placed in us. While we have all faced unexpected challenges this year, our business is strong due to your support.

Wishing you a season of joy and hoping the new year brings peace, prosperity, and happiness.

Our crew will be enjoying family time Dec. 24-25 and 31.  
Weather permitting, we work throughout the winter.

When you need a reroof, repairs, or have other roof concerns, we're here to take care of them.
